"As a small local bank that places high value on the communities and customers it serves, FCN Bank is very pleased to advertise in **The Beacon, THE community paper for northern Dearborn County.** The Beacon not only covers the important community organizations and individual news that sometimes does not make the larger papers, but its service area also **covers a growing and important region in the local area.** We are very pleased with the response we get from advertising in **The Beacon.**"

"Keep up the good work! It is amazing how many people in the community ask for more information about the real estate they see listed in **The Beacon.** **Your publication reaches the areas we specialize in. The Beacon** is a great buy!"

"We have been advertising in **The Beacon** for only a couple of months, **but the results have been astounding.** Our business has increased significantly and when asked where they heard about our business, all responded that they saw our ad in **The Beacon.** This publication reaches such a wide area that we are able to attract many more people than with any of our other advertising. **Thank you to The Beacon for a wonderful job in helping our business grow.**"
